Agenda approved by Duane, seconded by Glenn, carried.

Minutes of November 9, 2016 meeting approved by Charlie, seconded by Duane, carried.

Business arising from the minutes:

1. Evergreen Park Expansion meeting – There is a concern with suggested by-pass location options both on the South and North ends of the Park. PARDS representative (Mort Timmanson) had attended the meeting.(No update as Mort could not attend).
Wapiti Corridor Planning Society board members in attendance discussed options on where the bypass should go. Need to formalize position at next meeting.
2. Review of the executive summary and plan was done by the new members. Discussion on various items in the plan and if any changes are needed or required. Jim Hammond can provide past history of detailed work done to date. Possibly attend next meeting to provide info to new executive members. Plan needs to have revision to website as still old original information. Also update on some of the County land planning from Leanne.
3. Steve gave an update on the map updating work done. Mark Gagnon is maintaining maps and latest revision need to be done to website, which County can assist on.
4. Leanne provided update that the City of GP and County are working to link the trail systems on either side of the Correction line, Hwy 680.

Next meeting January 11, 2016 - 7:00 PM Pards.

Meeting Adjourned 9:30 P.M.
